

# Excel Swim School

Located at:

Palo Alto High School Aquatic Center

[www.excelswimschool.com](http://www.excelswimschool.com)

The Excel Swim School is designed to introduce first time swimmers to a fun and positive environment, as well as working with more experienced swimmers in developing and improving stroke technique. The swim school is a non competitive environment where the teachers' goal is to empower the swimmer to improve to the best of their ability
